STEVENS
Institute of Technology

8th Annual
Golf Outing

The Stevens Athletics Golf Outing has become one of the year's most anticipated events by our community and friends. We are excited to return to Arcola Country Club (www.arcolacc.org) again for 2010. The beautiful course and outstanding service make for a wonderful way to support our student-athletes and the wide variety of programs offered by the athletic department.

The previous golf outings have enabled Stevens to make significant improvements in many areas that support the athletic and recreation programs. These enhancements include new scoreboards for Canavan Arena; renovation of the tennis facility; addition of a wrestling room; and installation of state-of-the-art synthetic turf at the De Baun Athletic Complex. While we are fortunate to receive very strong support from the institution, our students and teams have many needs that can only be addressed through fundraising. Stevens has established itself as one of the nation's top Division III athletic programs, and we continually compete with a number of the top colleges and universities in the country for recruitment of scholar student-athletes who excel both academically and athletically.

I strongly believe that the athletic department's program offerings play a critical role in student life at Stevens and serve as a rallying point for our campus community. We are extremely grateful for your support of the 8th Annual Stevens Athletics Golf Outing.

Russell B. Rogers

Why Support Stevens Athletics?

Stevens has close to 450 student-athletes and offers 26 varsity sports. The golf outing is the primary fundraising event to support our athletic program and student-athletes. Here is how past and present student-athletes and parents received the 2009 Outing.

"During my four years of working for Stevens Athletics, I was able to see the department grow leaps and bounds firsthand. Its increased ability to compete on the field at a national level is only out-done by the way it is able to prepare you for life after Stevens. I look forward to now as an alum, through events like the golf outing, to be able to give back to the department that has given me so much."

~ Matt Fitzsimmons, Class of 2009

"The rate at which our Stevens Athletics programs are growing and excelling is phenomenal. This annual golf outing helps us take the necessary steps to provide essential resources to our athletes. Wrestling at Stevens has been an amazing experience for me. It simply wouldn't have happened without your generous support."

~ Charles Favia, Wrestling 2010

"The enthusiasm of the Stevens staff made a good golf outing a great one! I truly felt like a member of the Stevens family. I look forward to participating in future golf outings and interacting with the athletics staff and coaches."

~ John Brand, Father of Nicole Brand (Women's Soccer 2011)

The primary focus of the athletic experience is to enhance the student's overall well-being and better prepare the individual for the future after college; whether it involves attending graduate school or beginning one's career.

Individual Players \$425
 Foursome \$1,600 (Save \$100)
 Foursome with a Tee/Green Sign \$1,700

For more information or to register go to www.stevensducks.com/golf or call Brian Granata at 201-216-5078 or Russell Rogers at 201-216-5688.
