

STEVENS INSTITUTE OF TECHNOLOGY  
— 2008 BASEBALL MEDIA GUIDE —

*Senior  
Scott Picerno*

# Stevens Institute of Technology

Founded in 1870 as the first American college to devote itself exclusively to engineering education based on scientific principles, Stevens Institute of Technology is a prestigious independent university dedicated to research, innovation, and entrepreneurship. A leading national university according to *U.S. News & World Report*, Stevens was, in 2004, ranked by *The Princeton Review* as one of the nation's "Most Entrepreneurial Campuses" and among the nation's "25 most connected campuses" by *The Princeton Review* and *Forbes.com* in 2006. Stevens was also recently recognized as the 16th "Most Wired College" in the country by *PC Magazine*.

Stevens' broad-based education will lead you to prestigious degrees and rewarding careers in engineering, business, the sciences, computer science, and the humanities. With 30 majors and three degrees awarded — B.A, B.S., and the prestigious Bachelor of Engineering (B.E.) — Stevens undergraduate students have a wide range of educational options. In addition, Stevens boasts outstanding access to hands-on, real-world experience through cooperative education, internship, and research opportunities which may begin as early as your freshman year.

Master's and doctoral degrees are awarded in a variety of areas within the sciences, computer and information sciences/systems, engineering, management, and technology management. Research is vital to the university's educational mission; thus Stevens attracts world-renowned faculty to complement its exceptional on-campus facilities.

That commitment to research and innovation comes alive through *Technogenesis*, the educational frontier pioneered by Stevens where faculty, students, and industry jointly nurture research concepts to commercialization and back to the classroom. Simply put, groundbreaking research conducted in our facilities has a tangible impact on our daily lives — our partnerships with government and industry are creating innovative solutions to society's most pressing problems.

Located in Hoboken, New Jersey, a quaint one-mile-square town with Victorian brownstones and tree-lined streets dotted with great restaurants and trendy shops, Stevens sits on a high bank of the majestic Hudson River. The 55-acre campus, with stretches of deep green lawns, old-growth elms and maples, and historic classroom buildings, offers the best view of the New York City skyline.

**For more information about Stevens Institute of Technology, please contact the Office of Undergraduate Admissions at (800) 458-5323, e-mail [admissions@stevens.edu](mailto:admissions@stevens.edu), or visit [www.stevens.edu](http://www.stevens.edu).**

## STEVENS HIGHLIGHTS

**Degrees offered:** B.S., B.E., B.A., M.S., M.B.A., M.Eng., M.E., Ph.D.

**Pre-Professional Programs:** Dentistry, Law, Medicine

**Number of undergraduate students:** 1,900+

# John CRANE

*Head Coach \* Eighth Season \* Rider University '96*

John Crane enters his eighth season as the head coach of the Stevens Institute of Technology baseball program in 2008. Over the course of the last seven years, Crane has steered the Ducks to some of the most successful seasons in school history. During his tenure at Stevens, Crane has accumulated a total of 133 victories. As a result, he ranks second on the school's all-time list for career coaching wins with the baseball program and 26th on Stevens all-time list for best winning percentage (.524).

In 2002, Crane guided the Ducks to their only NCAA Tournament appearance as they captured the Knickerbocker Conference title in just his second season with the team. In addition, Crane was tabbed as the Coach of the Year by the Knickerbocker and Skyline conferences as well as the New Jersey Collegiate Baseball Association.

Three years later, Stevens narrowly missed a return trip to the NCAA Tournament as the Ducks fell to Centenary College in the finals of the Skyline Conference Tournament by final scores of 6-3 and 6-5. Ultimately, Stevens finished that season ranked nationally in three statistical categories as a team. They ranked 13th in stolen bases, 20th in earned-run average and finished 29th in fielding percentage.

In 2006, the Ducks set a new school record for wins in a single season after compiling a 27-12 mark. They were also ranked 13th in the nation in earned run average with a 2.93 ERA. Stevens opened the year on a tear by winning 14 of its first 16 games, which resulted in the team earning its first-ever national ranking at No. 14. In addition, they recorded a 12-9 victory against second-ranked SUNY Cortland in their annual Florida trip.

Lastly, Crane and his assistant coaches were awarded with the Skyline Conference Coaching Staff of the Year honor. He also shared the NJCBA Division II/III Coach of the Year award with Norm Schoenig of Montclair State University.

The ensuing season, Crane led the Ducks to the finals of Skyline Conference Tournament, where they lost to eventual league champion Manhattanville College. He also steered two of his star players, Joe Gunshor and Adam Sandt, to all-conference, all-region and all-state honors.

Prior to Stevens, Crane served as the top assistant coach at Monmouth University, where he helped the Hawks to a second-place finish in the 2000 Northeast Conference Tournament. He was also the assistant coach at Wagner College in 1999, where he assisted the Seahawks coaching staff in guiding the team to its first-ever 20-win season. In 1998, Crane served as the pitching and outfield instructor at Gloucester County College — one of the top junior college programs in the country.

As a player, Crane developed into a standout pitcher and first baseman for Kingsway Regional High School, where he was coached by his father Bill. During his time there, Crane garnered All-Tri County and third-team all-state honors.

Upon graduation, Crane accepted an athletic scholarship to Rider University, where he helped lead the Broncs to three Northeast Conference titles and an appearance in the 1994 NCAA Division I Tournament. He graduated from Rider in 1996 with a Bachelor of Arts degree in Communications, which was followed by a selection in the 42nd round of the 1996 Major League Baseball amateur draft by the Philadelphia Phillies.

## The Crane File

<u>Season</u>	<u>Overall</u>	<u>Skyline</u>
2001	14-14	12-5
2002	21-22	14-8
2003	9-20	7-13
2004	17-18	10-9
2005	25-15	15-7
2006	27-12	13-5
2007	20-20	13-5
<b>Seven seasons:</b>	<b>133-121</b>	<b>84-52</b>

Crane currently resides in Belford, N.J. with his wife Dana, one-year old daughter Alexandra and newborn Carlton John.

## Joe AGNELLO

*Assistant Coach*

Joe Agnello enters his third season as an assistant coach for the Stevens Institute of Technology baseball team in 2008. He also serves as the program's recruiting coordinator and assists with practice organization as well as game management.

Last season, Agnello assisted Head Coach John Crane in leading the Ducks to the finals of the Skyline Conference Tournament. He also helped produce a pair of all-region players in Joe Gunshor and Adam Sandt.

The previous year, Agnello helped the Ducks set a school record for most wins in a single season with 27 victories in 2006. In addition, he aided in the continued development of Sandt, who earned first-team all-state and all-region honors during his career as a Duck.

Prior to Stevens, Agnello spent his first two seasons as an assistant coach at Brookdale Community College in Lincroft, N.J. During his time with the Jersey Blues, the team compiled more than 70 victories.

## Jim BRETT

*Assistant Coach*

Jim Brett is in his seventh season as an assistant coach with the Stevens Institute of Technology baseball program in 2008. His duties include working with all aspects of the team's offensive drills as well as coaching the outfielders and catchers.

Prior to Stevens, Brett recorded a successful amateur career at The Peddie School in Hightstown, N.J. During his tenure there, Brett was named a first-team Prep A all-state pitcher and catcher. He was also selected as the Prep Player of the Year during his senior season.

Following his time at Peddie, Brett continued his career by playing for Fairfield University, which is a NCAA Division I program that competes in the Metro Atlantic Athletic Conference. As a Stag, Brett was a versatile player and saw time at several positions. In his senior year, Brett was primarily a relief pitcher but he was an integral part of the most successful season in the program's history — one in which Fairfield recorded 26 wins and advanced to the finals of the MAAC Tournament.

## Ken ZINCHIAK

*Assistant Coach*

Ken Zinchiak is in his third season as an assistant coach with the Stevens Institute of Technology baseball team in 2008. Last year, Zinchiak lent a hand to the coaching staff in guiding Stevens to the finals of the Skyline Conference Tournament, where they lost to eventual league champion Manhattanville College. In 2006, Zinchiak assisted in guiding the Ducks to a school-best 27-12 mark.

Prior to coming to Stevens, Zinchiak served as a hitting instructor at Centenary College in Hackettstown, N.J. During his time with the Cyclones, Zinchiak helped out in turning a program that was only a club sport in 2001 into an NCAA-qualifying team in 2005.

Before working at Centenary, Zinchiak was an assistant coach at Kennedy Christian High School from 1997-99 and Hickory High School from 1991-96.

Zinchiak, who currently resides in Hackettstown, works for Moore Associates in Parsippany, N.J.

### Chris Burgess

Major - Mechanical Engineering

Pitched 21 2/3 innings in 2007

Recorded two saves in 15 appearances in 2007  
Slotted as the 4th starter for the 2008 rotation

### Bill Jennings

Major - Civil Engineering

2007 All-Skyline First-Team

2007 ABCA/Rawlings All-NY Third-Team  
Had a 2.55 ERA and 30 strikeouts in 2007

### Alex Sota

Major - Engineering Management

Posted a 3-1 mark with 26 strikeouts in 43  
innings pitched a year ago

Pitched a complete-game shutout in 2007

### Dan Silva

Major - Mechanical Engineering

In 2007, he posted a 1.000 fielding % with  
62 putouts, seven assists and zero errors

Batted .279 and had 12 RBI in 2007

### Mark Rasulo

Major - Business & Technology

Saw action in 19 games during 2007  
Will be the starting centerfielder for the  
Ducks in 2008

# Season PREVIEW

After achieving three consecutive seasons where it has posted 20-plus wins, the Stevens Institute of Technology baseball team will enter 2008 looking to improve on last year's 20-20 overall mark. Stevens will rely heavily on its pitching staff to carry most of the load this season as the Ducks are slated to play seven nationally-ranked teams. Eight of their first nine opponents are 2007 NCAA tournament qualifiers.

Having lost its first five batters in the lineup and three-quarters of its infield from last season, Stevens is likely to see seven first-year starters making their collegiate debut in the competitive Empire 8. While Head Coach **John Crane (Red Bank, N.J.)** has been at the helm for the Ducks, they posted an 84-52 mark in the Skyline Conference. Stevens will now be up against three teams that ranked in the final New York Regional rankings last year, including the 10-time defending Empire 8 champions Ithaca College.

## Starting Pitching

Entering his senior season, **Scott Picerno (Bayonne, N.J.)** will be the Ducks' number one starter. Over the course of his career, he has already established himself as the all-time leader in wins (21) and winning percentage (0.700) at Stevens. Picerno, who is currently fifth all-time in strikeouts (132), struck out 50 batters last season in 73 innings pitched.

Junior **Bill Jennings (Southampton, N.J.)** earned first-team all-conference honors last season as he posted a 5-4 record with two shutouts. Jennings was recognized as a third-team selection by the American Baseball Coaches Association All-New York Region in 2007. He will sit second in the rotation as sophomore **Joe Finora (Mattituck, N.Y.)** will make his first appearance as a Duck as the third-man in the rotation.

Sophomore **Eddie Daniele**

Senior **Chris Burgess (Palisades Park, N.J.)** with sit in the fourth spot having notched 21 strikeouts in 15 appearances with two saves last year. Senior **Armando Suarez (Long Vally, N.J.)**, junior **Alex Sota (Lititz, Pa.)**, as well as freshmen **Dan Anunziatta (Schenectady, N.Y.)** and **Kyle Hanas (Garland, Texas)** all will be competing for the fifth slot of the starting rotation.

## Bullpen

Anunziatta will join freshman **Ken Meerendonk (Sussex, N.J.)** as potential middle relievers. First-year throwers **Craig Kinmon (Sussex, N.J.)** and **Jeff Hart (Greenwood Lake, N.Y.)** along with Suarez and Hanas will log a lot of innings. Seniors **Mike Ivey (Budd Lake, N.J.)** and **David Katusa (Franklin Township, N.J.)** as well as sophomore **Pedro Pimienta (Weehawken, N.J.)** will be arms to go to in the bullpen.

## Catchers

Freshman **Denis Ackermann (Rutherford, N.J.)** is the favorite to be the starting catcher in the 2008 season. Expected to see time is freshman **Kevin Flammia (Ringoes, N.J.)** and Katusa, who had 25 starts last season.

## Infield

Senior **John Frustaci (Franklin Lakes, N.J.)** will maintain his starting duties at first base entering the season. Frustaci batted .232 and recorded 20 RBI last season. He also led defensively with 303 putouts and produced a .982 fielding percentage. Junior **Dan Silva (Boonton Township, N.J.)** has moved from catcher to a backup role at first base.

Freshman **Brian Skocypec (Asbury, N.J.)** will see time first as the starting second basemen for the Ducks. Freshmen **Mark Caruso (Orefield, Pa.)** and **Mike Pagliaro (Duncannon, Pa.)** will compete for time. Junior **Matt Girnys (Brooklyn, N.Y.)** and sophomore **Shawn Dorman (Weehawken, N.J.)** will return as solid contributors as well.

With the graduation of all-star Adam Sandt, the Ducks will turn to sophomore **Eddie Daniele (Colts Neck, N.J.)** to fill some big shoes at shortstop. Daniele posted a .879 fielding percentage with 47 putouts and 69 assists as he batted .262 with 30 RBI. Meerendonk and Dorman are also expected to share time.

At third base, Meerendonk is the favorite to see most of the action for the Ducks. Freshman **Matt Glassman (Basking Ridge, N.J.)** will share a backup role with sophomore **Zac Zatorski (Phoenix, Ariz.)**.

## Outfield

Sophomore **Anthony Andrews (Hampton Bays, N.Y.)** will serve as the Ducks' starting left-fielder. In 2007, Andrews saw action in 14 games having posted three RBI and four walks. Freshman **Matt Roman (Galloway, N.J.)** and Glassman will push for playing time as well.

In center field, Stevens will turn to sophomore **Mark Rasulo (Irvington, N.J.)** as a go-to-guy for the Ducks. Last season, Rasulo started 11 games and recorded seven hits including one home run. He

Senior **David Katusa**

registered a fielding percentage of 1.000 on 15 putouts, one assists and no errors.

The starting role in right field is still undecided heading into the season. Roman, Katusa and Glassman are all in the mix to earn the starting nod in right.

## Designated Hitters

Stevens will see a number of solid contributors making their way into the lineup as the Ducks' designated hitter. Silva, Katusa, Ackermann, Flammia, Glassman and Caruso are expected to see time in this role come the start of the season. In 2007, Silva batted .279 with 19 hits and 12 RBI.

## Outlook

Heading into the 2008 season, Stevens will face five nationally-ranked teams in its first nine games. This includes No. 3 Kean University, which enters the 2008 campaign as the defending NCAA Division III national champions. The Ducks will also battle No. 1 College of Wooster in their first game of the Port Charlotte Invitational on March 16. Stevens will have its hands full when they enter Empire 8 play against No. 23 Ithaca College, St. John Fisher College and Rochester Institute of Technology - three teams that ended the 2007 season ranked in the final American Baseball Coaches Association New York Regional rankings.

"We take pride in scheduling competitive non-conference opponents as this will be the most challenging schedule we have faced during my eight seasons coaching at Stevens," said Crane. "We feel that playing better competition will improve our play as the season progresses, which will help prepare us for conference play later in the season. It will be a little different for us this year regarding the quality of the teams within the Empire 8 as Ithaca and St. John Fisher finished its 2007 season regionally-ranked," added Crane.

# Records & ALUMNI

David Riley is arguably one of the best ball players to have ever worn a Ducks uniform. Inducted into the Stevens Hall of Fame in September of 2007, Riley is the ninth baseball player to receive this prestigious honor.

A 2002 graduate of Stevens with a Bachelor of Engineering degree in Electrical Engineering, Riley currently works for Kevcu Electrical Inc. in New Jersey as an electrical engineer. He was one of the first players from Stevens to be recognized by the NCAA Division III American Baseball Coaches Association for his athletic prowess. In 1999, then again in 2002, he was named as an ABCA Regional All-American.

His efforts as the leadoff batter and the starting shortstop, as well as providing middle relief was one of the driving forces that helped Stevens reach its first-ever NCAA Division III Championship appearance in 2002. The Ducks also went on to claim the Knickerbocker Conference title which enabled them to receive an automatic qualifier to the national tournament for their stellar play during post-season action.

Riley was an Eastern Collegiate Athletic Conference all-star in 2002. He went on to receive all-state honors from the New Jersey Collegiate Baseball Association the same year. Riley was recognized by the Knickerbocker Conference in 1999, 2001 and 2002 for his stellar play. In 1999, he was awarded the conference rookie of the year. Riley then improved to become the player of the year in 2002. When the Ducks moved to the Skyline Conference in 2001, he received accolades from the conference in both the 2001 and 2002 seasons.

During his four years as a Duck, Riley made quite a dent in the record books at Stevens. He is the career leader with the highest batting average of .414, having gone 183-for-442. Riley leads in runs scored for a career and runs per game with 142 runs in 130 games. He also sits first in walks (108), stolen bases (74) as well as on-base percentage (.538) in a career. Riley is currently second all-time in hits (183), total bases (244), assists (323) and saves (12).

As for records in a season, Riley is the current leader for the most stolen bases recorded (36), which was posted during his senior season. He is second for base hits (65), runs scored (44), doubles (15), walks (32) and batting average (.445) in a season, which he registered during his final year in 2002.

## Where Are They Now?

Many former standout Stevens baseball players have made a name for themselves away from the diamond. Here is a quick look at where some of them are today:

Tim Meehan '06  
B.E. Biomedical Engineering & M.S. Technology Management  
Entering 2nd year at the University of Medicine and Dentistry of New Jersey

Adam Sandt '07  
B.E. Mechanical Engineering  
Orasure  
Operations Engineer

Andrew Tesoriero '07  
B.E. Civil Engineering  
Clark Construction Group, LLC  
Office Engineer

Eric McCormick '07  
B.E. Mechanical Engineering  
Linde Group  
Associate Engineer

Ryan Birkenstock '07  
B.E. Civil Engineering  
Greenman-Pedersen, Inc.  
Highway and Traffic Engineer

Jim Waterman '07  
B.E. Mechanical Engineering  
Boeing, Inc.  
Structural Analyst

6	Owen Clark	1993-96

# Stevens Athletic Facilities

## THE STEVENS ADVANTAGE . . .

The Stevens Institute of Technology Athletic Complex is comprised of over \$20 million in facilities and caters to only 1,900 students.

Stevens opened its \$13 million Charles V. Schaefer, Jr. Athletic & Recreation Center in 1994. The Athletic Training Center contains a rubberized flooring which can accommodate soccer, tennis, basketball, volleyball and other activities. The second level contains the six-lane 25-yard De Baun Aquatic Center, a Jacuzzi, showers, locker rooms and an athletic training room. The third level features the Canavan Arena, a multi-purpose arena ideal for basketball, volleyball, fencing and other indoor activities. The top floor houses a fitness center containing cardiovascular and weight-training equipment plus a conference/classroom for video or personal instruction.

Walker Gymnasium re-opened in 2004 with its \$4 million modernizing renovation. The facility has central air conditioning, a state-of-the-art weightlifting facility, coaches' offices, five team locker rooms with showers, a recruiting lounge and many aesthetic upgrades. The main floor continues to house the basketball/volleyball court with a raised running track.

During the summer of 2007, the De Baun Athletic Complex underwent a major renovation as the existing NeXturf surface was replaced with state-of-the-art FieldTurf. This marked a significant upgrade to the surface and provided Stevens with a first-class outdoor facility. The De Baun Athletic Complex is home to a number of varsity teams and is used for intramural sports, physical education classes and recreation.

Furthermore, in 2007, Stevens reached an agreement to share the brand-new Weehawken Recreation Center and Waterfront Park, which is located approximately two miles from campus. This facility will be used by varsity and intramural sports as well as campus recreation.

Stevens is one of few Division III institutions in the nation to establish a private strength and conditioning training facility (4,000 square foot) for exclusive use by its varsity athletes. Year-round strength and conditioning programs for each sport are devised through consultations between the sport's head coach and two full-time strength and conditioning coaches.
